Looking for a way to give back to the community or engage in community service hours for high school credit? We are looking for people who can commit to a 1-hour block of time twice a week during our lesson program. All volunteers must be at least 15 years old and have passed American Red Cross swim lesson levels 1-6. A complete background check and volunteer orientation will also be required.

You can make a difference!

The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities, and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held on the second Tuesday of the month to talk about programs, policies, and financial issues. Citizen direction and participation are vital to our continued success.

General Information

QUEEN ANNE POOL CLOSURE PLANNING

The 2007 City of Seattle budget includes funds for several capital projects at Queen Anne Pool. The two primary projects are:

1. Replacement of the aging boiler that heats the air and water at the facility.
2. Improved ventilation of locker rooms and staff offices.

We have made this our top priority. We are very concerned that the fragile, problem- fraught boiler could fail at any time, resulting in an unplanned extended closure or expensive temporary repair.

We are undertaking this work on a fast track schedule, which presents us with some uncertainty about dates. WE WILL CLOSE IN LATE SPRING OR EARLY SUMMER 2007, but we do not yet know the exact date and length of time the project will take. We are moving forward using these assumptions:

1. Some spring classes may be canceled. If this is necessary, we will issue full refunds or credits.
2. We may have to cancel many summer programs, including the popular Summer Swim League for children. We are looking into the possibility of relocating the program to Medgar Evers Pool if the Queen Anne Pool closure will extend into the summer.
3. We expect a full closure that will last three months.
4. We will have a final schedule available before the date for summer registration. All pools will have online summer registration through the SPARC system beginning April 16.

Thank you for your patience as we work to make this pool better than ever.

Fees and Charges:

Parks and Recreation fees and charges are necessary to provide financial support to the Seattle Parks and Recreation for the operating costs of programs, facilities and grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Parks system. All fees collected from parks and recreation activities and concessions are used exclusively for the Parks system as these funds are deposited in the Parks and Recreation Fund, not the City General Fund.

Credit Cards Accepted:

If you would like to register online or pay for a class with a credit card, Visa, MasterCard, and American Express are welcome.

Taxes:

Class and program fees listed in this brochure include sales tax where applicable in accordance with current provisions of the state legislature of Washington.

Non-Discrimination Policy:

As a matter of policy, law and commitment, the Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental, or physical handicap. (Seattle Municipal Code 18.12.280).

ADA Compliance:

Reasonable accommodation will be made, upon request, for persons with disabilities. Queen Anne Pool is wheel chair accessible and is equipped with a mechanical lift to provide assistance for those who need help getting in and out of the water. A family changing room is available for families or for those who need assistance from someone of the opposite gender. For sign language interpretation, auxiliary aids or other accommodation, call V/TDD 684-4950.

Refund Policy:

It is the policy of the Seattle Parks and Recreation and the Associated Recreation Council to make a full refund to participants who register for a program that is cancelled by the Department or Advisory Council for any reason. If a participant drops a class or program for which he or she is registered prior to the second session of a series, the pro-rated class fee plus a service charge of \$5 or 10% of the fee, whichever is greater, will be retained. This service charge is to offset the Department or Advisory Council cost in handling the refund. If a participant drops a class or program after the second session of a series, no refund will be given. Occasionally, no refund or credit is available for a specific program or service, which may include deposits for registration or rentals. Information on any specific exceptions is available from recreation staff prior to payment or purchase.

We have a family changing room for those who need to assist family members of the opposite gender. Please limit use to 15 minutes.

Through the 2000 Pro Parks Levy, the citizens of Seattle voted to provide funding for FREE swimming lessons for all 3rd and 4th grade students in Seattle. The Pro Parks Levy is Making a Difference in Your Community

With funding approved for this eight-year levy by Seattle voters in 2000, we're building new parks, enhancing maintenance, and expanding programs throughout the city. Our recreation facilities are providing innovative teen programs that enhance self-esteem and build life skills, more environmental education to increase awareness about the wonders that surround us, swimming lessons for all 3rd and 4th graders to make sure every Seattle child knows how to swim, a wider range of activities for seniors, and more.

We're cleaning and removing litter from our facilities and parks more often; expanding park maintenance in the summer months, when use is high; and working hard to maintain our valuable landscapes, trees, and other natural assets. Whether you prefer sports or quiet contemplation, there are more active plays areas and passive park lands available for you. New things are happening every day, so keep an eye out for Pro Parks Levy signs in your neighborhood!
